

Youth Awards Worksheets: Giving Peer Feedback

Use with any Youth Scotland Award!

These worksheets may be most helpful to support the starred awards below:

Reflecting on Skills

Think about what you saw as this person completed their award. Circle or colour in the pictures that match the skills they built:

Organisation

They took time to plan out their work

Responsibility

They finished what they said they would

Determination

They kept going even when it was difficult

Confidence

They spoke up and shared their ideas

Collaboration

They listened to others and came up with ideas

Teamwork

They worked well with others on group tasks

Communication

They asked for help when they didn't understand

Leadership

They supported and motivated others

Problem Solving

They saw a problem and worked to make it right

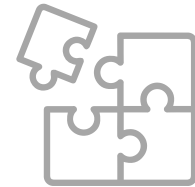

Critical Thinking

They imagined a new way to do something

Decision Making

They made choices based on information they had

Project Management

They broke down big goals into smaller steps

Pick one of the skills you circled above and describe what happened:

Try a Sentence Starter

I could tell that they worked hard on...

I was really impressed when they...

They were really good at...

Next time, maybe they could try...
