

Youth Awards Worksheets: Reviewing my Skills

Use with any Youth Scotland Award!

These worksheets may be most helpful to support the starred awards below:

Identify Your Skills

Think about everything you did for your challenge. Circle or colour in all the pictures that match the skills you've built.

Organisation

I took my time and planned out my work

Responsibility

I finished what I said I would on time

Determination

I kept going even when something was difficult

Confidence

I spoke up and shared my ideas with others

Collaboration

I listened to others and we came up with ideas

Teamwork

I worked well with others on group tasks

Communication

I asked for help when I didn't understand

Leadership

I helped to support and motivate others

Problem Solving

I saw a problem and worked to make it right

Critical Thinking

I imagined a new way to do something

Decision Making

I made choices based on information I had

Project Management

I broke down big goals into smaller steps

Pick one of the skills you circled above and describe what happened:
